

Snow-Camp France 2009

Snow-Camp France 2009 dates have now been confirmed:

- a) February 14th – 21st 2009 at UCPA, Val Thoren.
- b) April 4th – 11th 2009 at UCPA, Les 2 Alpes.

We are currently registering youth projects across London interested in sending a group of young people, together with youth workers, on these forthcoming residential.

As a youth charity, we are confident that the experience provided by Snow-Camp offers a unique and positive opportunity for your young people. No other youth service currently uses snow-sports in this way to work with young people, and we have the support of ski schools, youth hostels, ski shops, ski companies and other service providers to ensure we deliver a safe, effective and well managed week for your young people. We also provide a host of extras listed below, tailored to the youth sector, which you will not find on any other ski trip. As many testimonials from staff and young people confirm (please see website), a week away on Snow-Camp can have an immensely positive impact on the young people you work with.

Snow-Camp 2009 will provide:

- Full briefing and support in the run up to Snow-Camp 2009 trips, including visits to your youth programme, a staff training weekend and kit day, where all kit is distributed prior to travel.
- Luxury coach transport from London to and from the resorts.
- Full board accommodation for the week at UCPA's fantastic youth focused venues in Les 2 Alpes and Val Thoren.
- Six days supervised skiing and snowboarding with fully qualified instructors, including 4-5 hours of lessons per day.
- The provision of all kit required; not just skis and snowboards, but all outerwear for the mountains, jackets, trousers, gloves, eyewear, protective clothing and hats.
- The delivery of our tailor made youth Life-skills programme. All materials for the course are provided.
- The chance to experience an environment of extreme natural beauty, completely different to the urban environment in London, and a different culture, widening horizons for young people.
- The support throughout the week of our team of fully trained, experienced and CRB checked youth staff. A training weekend is also provided for your staff before attending, as they will form part of the

staff team.

- Evening entertainment including e.g. chill out area in the hostel, with pool table and table tennis, a TV and games room and trips to bowling and ice skating.
- Full insurance for everybody attending the trip, full medical cover, baggage cover and all liability covers. We also provide a detailed risk assessment if required.
- An award ceremony in resort on the last night, with medals, trophies and prizes for a range of achievements.
- A Movie Premiere night back in London, hosted at Brixton Ritzy Cinema for all family and friends and a copy of the same Snow-Camp 2009 movie on DVD for each participant to keep.
- Follow up visits to your youth project after the trip to look at the impact of the experience and lessons learnt.

Price

The total cost per young person is £599 per person, inclusive of all the above. Some bursaries may be available please contact us for details.

We recommend that if possible every young person attempts to contribute £99. We feel this helps each young person feel they have earned the right to be on Snow-Camp and ensures a positive attitude towards the trip. In the past young people have held sponsored activities, organised fundraising events or simply saved or earned some small amounts through car washing or other jobs. Of course you may choose to raise these funds in a different way if preferred, depending on your circumstances.

Youth workers with each group attend at a further discounted rate of £400, including all the benefits outlined above. Each youth worker will be involved as a member of the staff team of Snow-Camp, and will attend a training weekend prior to the trip.

We have accessed a range of grants, trusts and donors to subsidise the project (see our 'Thanks' section) enabling us to keep the total cost at this level. All our kit is donated by fantastic brands, Mambo, Moah, Westbeach etc and as you will see from the photos and the movies, the young people look fantastic.

Please do get in touch to register, or discuss any of the details above. We are confident your young people will have a wonderful experience they will never forget, whilst growing as individuals, learning about themselves and developing new skills at the same time.

Please contact info@snow-camp.co.uk to register your youth project.
