14 th August Chatham Ski Centre	21 st August Chatham Ski Centre
15 th August Tamworth Snowdome	22 nd August Tamworth Snowdome
13 th September Chatham Ski Centre	11 th October Chatham Ski Centre
14 th September Tamworth Snowdome	12 th October Tamworth Snowdome

We are currently registering youth projects across London who are interested in sending a group of young people, together with youth workers, on the above two day courses.

As a charity, we have worked hard to ensure we are very competitive price wise, and we are confident nobody can offer a course like Snow-Camp London for a similar price. We have the support of ski centres, kit providers and other service providers to ensure we keep costs as low as possible. We also provide a host of extras which you will not find on any other ski course. Snow-Camp is still the only charity using Snow-sports to work with inner city young people, and we are confident Snow-Camp London course will have a positive impact on the young people you work with. It's a particularly good course if you are planning to send a group on the Snow-Camp France trips happening in early 2009.

Snow-Camp London provides:

- Full briefing and support in the run up to each course, including visits to your youth programme where required.
- Coach transport to and from the ski centres
- The chance for young people to learn skiing or snowboarding over two days of lessons at Chatham Dry Ski Slope (including free toboggan run!), and then on real Snow at Tamworth Snowdome
- The provision of all kit required; skis and snowboards, gloves, eyewear, protective clothing.
- The delivery of our tailor made youth Life-skills programme. All materials for the course are provided.
- The support throughout the course of our team of fully trained, widely

experienced and CRB checked youth staff.

- Full insurance for everybody attending the course, full medical cover, and all liability covers. We also provide a detailed risk assessment if required.
- An award ceremony after the final session at Tamworth Ski Centre with medals and certificates for all.

Price and registration

The total cost per young person is £99 per person, inclusive of all the above.

We have accessed a range of support through grants, trusts and donors to subsidise the Snow-Camp London project (see our 'Thanks' section). This enables us to keep the cost at this level, and continue to offer access to snow-sports to all. It also enables us to offer some free bursary places – please call to discuss this.

Please do get in touch to register, or discuss any of the details above.

We are

confident your young people will have a very positive experience, whilst growing as individuals and developing new skills at the same time. Contact info@snow-camp.co.uk to register your youth project.
